

AIFS Au Pair in Australia Agreement

In order to participate as an Au pair on the AIFS Au Pair in Australia program you will be required to purchase 7 months insurance from AIFS' insurer, CareMed at a cost of AU\$490.00. This requirement ensures all Au pairs have the necessary level of insurance cover during their au pair placement and allows AIFS staff to provide advice about the policy when requested by the Au Pair.

Au Pairs seeking to extend their stay in Australia may extend their cover by purchasing additional insurance at AU\$70.00 per month.

Details about the policy and the level of cover will be provided in your pre-departure information.

I _____ agree to purchase AIFS Au Pair in Australia's insurance upon confirmation of my Au Pair placement. I understand that if I do not purchase this insurance I will be unable to participate on the AIFS Au Pair in Australia program.
